13 on Respondent on September 15, 2009. Respondent timely filed his Notice of Defense contesting
14 the Accusation. A copy of Accusation No. 838-A is attached as exhibit A and incorporated

7 CONTINGENCY

8 10. This stipulation shall be subject to approval by the Board. Respondent understands
9 and agrees that counsel for Complainant and the staff of the Board may communicate directly
10 with the Board regarding this stipulation and settlement, without notice to or participation by
11 Respondent. By signing the stipulation, Respondent understands and agrees that he may not
12 withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers
13 and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the

21 and Disciplinary Order, including facsimile signatures thereto, shall have the same force and
22 effect as the originals.

23 13. This Stipulated Settlement and Disciplinary Order is intended by the parties to be an
24 integrated writing representing the complete, final, and exclusive embodiment of their agreement.
25 It supersedes any and all prior or contemporaneous agreements, understandings, discussions,
26 negotiations, and commitments (written or oral). This Stipulated Settlement and Disciplinary
27 Order may not be altered, amended, modified, supplemented, or otherwise changed except by a
28 writing executed by an authorized representative of each of the parties.

14. In consideration for entering into this stipulated agreement ("Agreement"), Respondent hereby waives any right to challenge the legal effect of this Agreement, by way of petition for reconsideration, petition for writ of mandamus, appeal, or otherwise, and further waives any other legal claim or defense, which he may have asserted, including, but not limited to, any time based claim such as laches, in the event it is necessary to calendar an administrative hearing based on any part of Accusation No. 838-A. C. In the event that Respondent fails to comply with either of the requirements set forth under paragraphs A and B of this Order, the Board shall deem Respondent's notice of defense to be withdrawn, and the portion of Accusation No. 838-A relating to Respondent shall be deemed unchallenged by Respondent, all charges and allegations contained therein shall be deemed

1 admitted as accurate and true, and the Board shall enter a default decision against Respondent in
2 the matter of Accusation No. 838-A, revoking Respondent's Civil Engineer License No. C 12502.

19 restored, reissued or reinstated.

20 6. Section 6775 of the Code states, in part, that:

3 16. Section 125.3 of the Code provides, in part, that the Board may request the
4 administrative law judge to direct a licensee found to have committed a violation or violations
5 of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and

7 **PODPORA PROJECT**

8 17. On or about February 22, 1999, Respondent Grechuta filed an
9 Organization Record for G & G Engineering, Inc. (“G&G”) with the Board. G & G’s
10 Organization Record states that Respondent Grechuta is the only officer, partner or member of
11 the firm and that Respondent Grechuta is in responsible charge of professional engineering. No
12 other individuals are named on the document. It states that the firm provides Civil Engineering
13 and Land Surveying services.

14 18. On or about February 18, 2000, a Grant Deed conveyed Assessor’s Parcel
15 No. 6120-015-027 (“Podpora Parcel”) to Marian and Krystyna Podpora (“Podpora”). The
16 Podpora Parcel is on Ainsworth Street in the City of Los Angeles (“City”), California. On or
17 about June 22, 2001, the City conditionally approved a preliminary map for the division of the
18 Podpora Parcel. The preliminary map established the terms that would apply to a Parcel Map to
19 subdivide the Podpora Parcel into two separate parcels (“Parcel Map 2000-5400”).

20 19. On or about August 8, 2001, G&G entered into a contract with Podpora to
21 prepare a Parcel Map, Grading Plan and Final Map for the Podpora Parcel (“Podpora Contract”).
22 The work of the Podpora Contract was predominantly land surveying. On or about November
23 27, 2001, G&G submitted Parcel Map No. 2000-5400 to the City for review for the first time.
24 This submittal of Parcel Map No. 2000-5400 did not contain the name, stamp or signature of a
25 licensed land surveyor or “Pre-82 Civil Engineer.” On or about January 14, 2002, G&G
26 resubmitted Parcel Map No. 2000-5400 to the City for review for the second time. On or about
27 March 19, 2002, G&G resubmitted Parcel Map No. 2000-5400 to the City for review for the
28 third time.

1 20. On or about April 8, 2002, Respondent MacArthur was hired as an
2 employee of G&G. On or about October 7, 2002, G&G resubmitted Parcel Map to the City for
3 review for the fourth time. This is the first version of Parcel Map No. 2000-5400 that bears
4 ///
5 Respondent MacArthur's name. On or about March 28, 2003, G&G resubmitted Parcel Map to
6 the city for review for the fifth time.

7 21. On or about May 13, 2003, a City Survey Crew retraced the boundaries of
8 Parcel Map ("City Retracement"). The City Survey Crew found numerous discrepancies with
9 draft versions of the Parcel Map. On or about April 21, 2003, G&G resubmitted Parcel Map to
10 the City for review for the sixth time. On or about June 17, 2003, Parcel Map No. 2000-5400
11 was recorded in the records of Los Angeles County. The final, recorded version of Parcel Map
12 No. 2000-5400 was not much different than the City Retracement.

13 22. On or about May 19, 2005, Respondent MacArthur submitted a letter to
14 the Board stating that he supervised the preparation of Parcel Map 2000-5400.

15 **FIRST CAUSE FOR DISCIPLINE**

16 **(Acting in the capacity of a land surveyor without legal authorization)**

17 23. Respondent Grechuta's license is subject to disciplinary action under
18 Code sections 8780, subdivision (d), and 8792, subdivision (a), in that he acted in the capacity of
19 a land surveyor without legal authorization. Specifically, Respondent Grechuta entered into the
20 Podpora Contract for work that constituted predominantly Land Surveying services, directed
21 field surveys, prepared the first three versions of Parcel Map No. 2000-5400, and submitted them
22 to the City, all prior to hiring Respondent MacArthur, as set forth in paragraphs 17 through 21,
23 above.

24 **SECOND CAUSE FOR DISCIPLINE**

25 **(Operated unauthorized land surveying business)**

26 24. Respondent Grechuta is subject to disciplinary action under Code sections
27 8780, subdivision (d), and 8792, subdivision (i), in that he operated a business from which land
28 surveying work was solicited, performed, or practiced without a land surveyor or a civil engineer

1 licensed prior to 1982 as an owner, partner, or officer, as set forth in paragraphs 17 through 21,
2 above.

3 ///

4 ///

5
6 **THIRD CAUSE FOR DISCIPLINE**

7 **(Violation of the Professional Engineers Act)**

8 25. Respondent Grechuta is subject to disciplinary action under Code section
9 6775, subdivision (h), in that he violated provisions of the Professional Engineers Act (§6700, et
10 seq.) and laws relating to the practice of professional engineering, as follows:

11 a. Code section 6731.2: Respondent Grechuta practiced land surveying without
12 legal authorization, as set forth in paragraphs 17 through 23, above.

13 b. Code section 6749, subdivision (a)(3): Respondent Grechuta failed to include his
14 license number on the Podpora Contract, as set forth in paragraph 19, above.

15 **FOURTH CAUSE FOR DISCIPLINE**

16 **(Aiding and abetting practice of land surveying without legal authorization)**

17 26. Respondent MacArthur is subject to disciplinary action under Code
18 section 8780, subdivision (f), in that he aided and abetted the practice of land surveying without
19 legal authorization by Respondent Grechuta by failing, allegedly as the land surveyor in
20 responsible charge of land surveying services performed by G&G, to be in responsible charge
21 for the project upon his entry into the company, as set forth in paragraphs 17 through 22, above.

22 **FIFTH CAUSE FOR DISCIPLINE**

23 **(Violation of Provisions of Act)**

24 27. Respondent MacArthur is subject to disciplinary action under Code
25 section 8780, subdivision (d), in that he violated provisions of the Land Surveyor's Act (§§
26 8700, et seq.) and laws relating to the practice of land surveying. Specifically, Respondent
27 MacArthur violated section 6738, subdivision (i), and 8729, subdivision (i), by failing to submit
28 a revised Organization Record upon being hired by G&G in order to inform the Board he was in

1 responsible charge of the land surveying services conducted by the company.

2 **PRAYER**

3 WHEREFORE, Complainant requests that a hearing be held on the matters herein
4 alleged, and that following the hearing, the Board issue a decision:
